Plan Your Office Move Ahead

Start planning your office move at least 2-3 months in advance. Early planning helps minimise downtime and avoids last-minute surprises.

Key Preparation Tips:

- Assign a move coordinator within your team.
- Notify employees and stakeholders early.
- Each employee should pack their personal belongings.
- Label all boxes clearly.
- Lock filing cabinets and remove sensitive documents.
- Ensure power, internet, and phone lines are set up at the new location.
- Check and prepare fragile or sensitive equipment (printers, servers, etc.).

Office move checklist:

- Have you booked the moving company?
- Is every desk emptied and packed?
- Are archive cabinets locked?
- Are fragile items securely packed?
- Have you disconnected all electronics?
- Are liquids from printers removed?
- Have you made spare keys?
- Are internet and power working in the new office?

Office Move Summary:

- Set your move date early
- Notify your team and vendors
- Assign responsibilities
- Create a list of items to move
- Start packing 2-3 weeks before the move
- Let professionals handle furniture and electronics
- Secure and label all boxes
