MOVING CHECKLIST

GET READY FOR YOUR MOVE

It feels like there are thousands of things to do when arranging a residence move. A bit of organization with our moving checklist can reduce your work in to manageable chunks and minimise the stress of your move.

Before you start with anything, you'll need to organize a safe briefcase to keep together all important documents and records related with your move. It'll help you to keep together and track information's such as: contracts, estimates, insurances, quotes, inventory of moving items and of course your checklist.

8 WEEKS BEFORE THE MOVE DAY

Once you have found your new accommodation you can start to prepare for your upcoming move. The exchange of contracts means you have passed the way of no return, and the move is surely on.

- ☐ Confirm the date of your move with your solicitor or estate agency.
- ☐ Choose the way you want to move,
 - ☐ whether you will rent a van for your DIY move? – moving yourself is tough and takes longer than you expect.
 - ☐ order full [Removals Service](#) including packing service?
 - ☐ or [hire man with a van](#) - with this option you need pack and prepare everything to be ready to move, as you hire man or men with van service to do all loading, transport and unloading. Plus you save up to 50% on your move comparing to full removals service.
- ☐ Plan a budget for your house move.
- ☐ If you are moving abroad plan the way of transporting your car if you don't want to do long drive.
- ☐ If you are moving to unfamiliar area you can do a little bit of local research. Check newspapers or website communities to get closer with new environment.
- ☐ Update new contact list in your mobile including addresses of: nearest stations, banks, doctors, schools, shops, pharmacies and all other services. This will help you within first few days before you'll get closer with a new topography. Keep also list of these records in your safe briefcase for any emergency.

MOVING CHECKLIST

GET READY FOR YOUR MOVE

- ☐ Find school for your children's and arrange records to be transferred from old to the new one.
- ☐ Transfer or cancel your membership contracts such as: gym, health clubs, groups or any other organizations you belong.
- ☐ If you are in accommodation that is rented, simply give notice to your landlord.
- ☐ Try to approach friends, family and ask if you can leave children or pets in their safe hands, out of the way during the move.

TIP: If you are moving due your job, so check with your employer if you entitled for the return of full or part of the costs of your move.

7 WEEKS BEFORE THE MOVE DAY

Prepare an [INVENTORY LIST](#) as now it's time to go through every room of the house. It will be help your removal company to estimate your moving cost. Also you will need it for Insurance purposes.

- ☐ Create your own inventory list on our website - [INVENTORY LIST](#)
- ☐ Decide what furniture's you want take to your new house. Don't pay for moving unwanted items? Consider giving away unwanted items to family, friends, charity or sell it on eBay, Gumtree.
- ☐ Try to get a measurement of doors and corridors of your new property, to estimate whether your furniture will fit into your new home during your move.
- ☐ Create floor plan and consider where your furniture will go in your new home.
- ☐ If you need new furniture in the house, order it now to be delivered to your new home.
- ☐ Assess if you will need to book storage facilities and get estimates if needed.
- ☐ If you have any valuable belongings, take them to an expert for assessing the exact figure to be sure you have adequate insurance.

MOVING CHECKLIST

GET READY FOR YOUR MOVE

- ☐ Consider whether you want to arrange additional insurance for your move.
- ☐ Get an estimates for your move – [get free quote](#).
- ☐ Assess van size you might need, consider parking space for removals van in both addresses - for larger moves sometime is cheaper to have 2 Luton Vans instead of one 7.5 tonne truck.
- ☐ Check Insurance details with moving companies check their feedbacks and any discounts they might offer.
- ☐ Choose moving company you are going to use.
- ☐ Find out about payment method with your moving company– if cash, card payments, bank transfer, deposit or in full.
- ☐ Arrange date of your move with your moving company and book your move. Early booking saves you lots of stresses and helps to save you money.
- ☐ Get an estimated quote for your move through our website or contact us directly.
- ☐ Most of the house moves happen on Friday, to give you the two day weekend to get straight, but a few extra days before the shifting day may be advisable especially when you are moving from a big property.

TIP: In your Inventory list write down the serial numbers of all appliances and electronics for insurance purposes.

6 WEEKS BEFORE THE MOVE DAY

This is a best time to declutter and decide whether what you want to take or to leave behind. Going through this step you might be surprised how many unwanted items you being stored.

- ☐ Start to collect or [order online packing materials](#) such as moving boxes, bags, tapes, packing paper, mattress / sofa covers, wardrobe boxes, markers, stickers to label the boxes, etc.

Start sorting and decluttering

- ☐ Sort your documents, bills, drawers with the treasures.
- ☐ Arrange a documentation box for new owners with all instructions, warranties. Attach your contact details in case they might want to contact you about any post on your name.
- ☐ De clutter shed, garage, loft - tools, clothes, shoes, etc.
- ☐ Label each box. Write on the top and side, or print out a label to stick on. Use a specific colour labels in each room. It will facilitate efficient arrangement in your new home.
- ☐ Describe what's in the particular box, where the box is going and its number.
- ☐ Fragile, delicate items pack carefully and label as FRAGILE.

Separate valuables

- ☐ Separate valuables in separate box and keep them within reach and in view. Take it with you when you'll be moving to your new home.
- ☐ Use your safe briefcase to keep important documents within reach and in view as, inventory list, moving estimate, contracts, etc.
- ☐ Separate valuables in separate safe box and keep them within reach and in view. Take them personally with you on the moving day.

TIP: Number the boxes in each room (e.g. Master Bedroom 2/15)
