## **People also ask for:**

### **How do I get an instant online quote from London Man Van?**

You can get an [instant online quote](#) by filling out the [booking removals form](#) on the website. Just select your moving date, van size, number of movers, time slot, and addresses to see your price immediately. The system calculates your price based on your selections, offering transparency with no hidden fees. You can then proceed to confirm and pay for your booking.

### **What information do I need to book a move online?**

You'll need your moving date, van size, number of movers, pick-up/drop-off addresses, contact details, and any special instructions. This info helps the system generate an accurate quote and ensures the crew is fully prepared for your move. You can also specify lift access, floor level, and additional services like [packing](#) or disassembly.

### **Can I choose the size of van when booking online?**

Yes, you can choose from five van sizes: Small, Medium, Large, Extra Large, or Luton. If unsure, use the [Van Size Calculator](#) provided. Choosing the right van size helps avoid multiple trips or oversized vehicles. The calculator estimates size based on the number of items you plan to move.

### **Do I need to decide how many movers I want?**

Yes, you'll choose between 1 Man, 2 Men, or Self Loading during booking. The number of helpers affects the speed and ease of your move. Opting for two men is ideal for larger or heavier items. With Self Loading, you handle everything yourself, while the driver transports your goods.

### **Is there a discount if I select the "I'm Flexible" option?**

Yes, choosing the "I'm Flexible" time slot gives you a 5% discount. Your move will be scheduled between 8:00 am and 6:00 pm, and you'll be notified of the estimated arrival time. This option helps London Man Van optimise their schedule, which saves them time and saves you money.

### **How do I know if my booking is confirmed?**

Once payment is made, you'll receive a confirmation email—usually within 1 hour during office hours. This email secures your time slot and contains all your booking details. Always check your spam folder and ensure you've entered your contact details correctly to avoid delays.

**Can I pay a deposit instead of the full amount?**

Yes, you can secure your booking with a 30% deposit or choose to pay in full. The remaining balance can be settled later as per the terms. This flexible payment option helps customers plan their budget more comfortably, especially for bigger moves.

**Can I add extra instructions or services during booking?**

Yes, you can add notes about parking, packing, disassembly, and other important details. This ensures the movers are fully informed on the day. Including extra instructions avoids misunderstandings and helps the team bring the right tools and supplies.

**What happens if my preferred date is unavailable?**

If a date is unavailable on the calendar, it means it's fully booked. Try selecting a different day or time slot to proceed. Booking early increases your chances of securing your ideal date and time, especially during weekends or month-ends.

**Can I travel in the van with the driver?**

Yes, in most cases, one passenger can travel in the van, but you must confirm this option during booking. Space is limited, and availability may vary depending on van type and number of movers, so it's best to specify early.
